NCC Cadets and Students performing Swachh Bharath Activity

**Submitted by : Lt.N.Naveen Kumar, Associate NCC Officer, MTS-NCC**

With reference to the above cited subject, herewith I am sending the report on Swachh Bharath conducted by MITS-NCC at Enumulavaripalli, village on 6 June 2018 which is close to MITS Madanapalle.

This program was conducted by MITS-NCC 'C-Certificate' cadets. with the strength of **25-cadets and 27 students.**

The MITS-NCC cadets cleaned the government school premises with the motive of Swachh Bharath in this village. They explained the importance of cleanliness of the environment and how to manage the school environment in holidays with leadership qualities. The people of this village were also encouraged to join this mission and they participated very enthusiastically to clean the school premises.

After completion of the Swachh Bharath the NCC cadets motivated the people to maintain *Swachhhatha* in the village to all the people.
