

**MADANAPALLE INSTITUTE OF
TECHNOLOGY & SCIENCE
(UGC-AUTONOMOUS)**

Affiliated to JNTUA, Anantapur & Approved by AICTE, New Delhi
Recognised Research Center
Accredited by NSA for CSE, ECE, EEE & ME
World Bank funded Institute
Recognised by UGC under the sections 2(f) and 12(B) of the UGC act 1956
Recognised as Scientific & Industrial Research Organization by DSIR of DST

Circular Dated: 18-07-2015

All the students of B. Tech- ME are here by informed that there will be a career guidance program on Career Opportunities in various Industries on 21 -07-2015 to 22-07-2015 with the concept of the Focus of preparation and get aware of the job opportunities available after Engineering.

PRINCIPAL,
Madanapalle Institute of Technology & Science,
Puduru Road, Madanapalle, Anantapur, Andhra Pradesh
MADANAPALLE-517 525, A.P

MADANAPALLE INSTITUTE OF TECHNOLOGY & SCIENCE (UGC - AUTONOMOUS)

Report on
**Guest Lecture / Interactive session on
Career Opportunities in Various Industries**
Organized by Dept. of Mechanical Engineering & IIC - MITS
21 - 22 July 2015

Submitted by: **Dr. T. Vishnu Vardhan, Associate Professor, Dept. of Mechanical Engineering**

The Department of Mechanical Engineering & Dean-IIC, Madanapalle Institute of Technology & Science, Madanapalle organized a two day Guest lecture on “**Career Opportunities in Various Industries**” for III & IV B.Tech(ME) along with M.Tech (MD) students on July 21st & 22nd 2015 and interactive session with Mechanical engineering department faculty members related to the consultancy works / projects from industries / student internships.

Dr. Benu Madhab currently working as **Assistant General Manager at Setco Automotive Limited, Vadodara** has delivered lecture on “Career Opportunities in various industries”. He received Ph.D. in Mechanical Engineering from **Indian Institute of Technology (I.I.T.) Kharagpur** and **M.Tech** in Mechanical Engineering from **Indian Institute of Technology (I.I.T.) Kanpur**. He Worked in R&D departments of reputed organizations like Suzlon Energy Ltd., Emerson Electric Co., Ashok Leyland, Dover Corporation and Tata Steel. His research areas include Bio-inspired MEMS, Robotics & Mechatronics, CAD/CAM/CAE/FEM, and Non-traditional Manufacturing Process Simulation.

Day 1: Guest lecture – B.Tech IV year students & M.Tech (Machine Design) & Interaction with the faculty members.

The program was initiated by formal invitation of keynote speaker along with Head of Mechanical Engineering Department and Dean IIC. The Profile of Dr. BenuMadhab was briefed by Dr.G.Harinath Gowd. Later Dr.Madhab started his presentation by giving the basic definition of Engineering and role of Mechanical engineer in the society. Later he revealed the statistics regarding the number of Mechanical Engineering Graduates coming into market and stressed on the lean size of suitable candidates fit for taking core job. He mentioned various reasons for this and focused his speech on necessary skill sets that are to be acquired for becoming successful in the profession.

According to Madhab the skills like Complex Problem Solving, Critical thinking, Judgment& Decision making,Active Learning, Quality control analysis should become inbuilt ingredients of a successful Mechanical Engineer.Analytical thinking, Innovation, Stress Tolerance, and Leadership are the essentials and required by the Engineers.In the next session, the key note was delivered on preparation for various competitive exams. Preparation, Time Management during preparation and other important aspects were discussed.

After completion of the session, Dr. Madhab visited all the laboratories of the Mechanical Engineering Department. Later interacted with all the faculty members and discussed on various topics related to projects and consultancy.

Day 2: Guest lecture – B.Tech III year students

In this session, he delivered his lecture for B.Tech III year students and discussion on various jobs and expectations from students in industrial sector along with salary details took place. He gave the clear picture on what the companies are expecting form the students and how to grab the opportunities. The program was concluded by honoring the keynote speaker. Overall the two day program was very effective and the students of 3rd, 4th B.Tech and M.Tech(MD) students are highly benefited from the interactive sessions.
