A One Day International Seminar on

Recent Trends Wind Engineering

29th January 2016

Organized by

DEPARTMENT OF MECHANICAL ENGINEERING

Under TEQIP-II

MADANAPALLE INSTITUTE OF **TECHNOLOGY & SCIENCE**

(UGC-AUTONOMOUS)

(Approved by AICTE, New Delhi & Affiliated to JNTUA, Anantapuramu,

An ISO – 9001:2008 Certified institution)

Post box No. 14, Angallu, Madanapalle- 517325 Chittoor (District), Andhra Pradesh.

Ph.: No: +91-8571-280255, 280706 (Extn: 126)

Fax: 08571-280433

About The College

Madanapalle Institute of Technology and Science (MITS) is an autonomous institution that was established in 1998 in the picturesque and pleasant environs of Madanapalle and is ideally located on a sprawling 30 acre campus. It has a resort like atmosphere, which is refreshing and exhilarating at the same time. The UG courses such as ME, CSE, EEE and ECE are accredited by NBA. The college is awarded ISO 9001:2008 certification for the quality policies it is implementing. The campus comprises of aesthetically designed buildings that are networked by Wi-Fi technology. This institution is established with the modern workshops and labs, computer and internet facilities, seminar halls, well equipped library and sports facilities that provide an excellent learning environment for the students. MITS Offers UG, PG & Ph.D courses in Mechanical, Civil, Electrical & Electronics, Electronics & Communications, Computer Science Engineering, MBA and MCA.

MITS, originated under the auspices of Ratakonda Ranga Reddy Educational Academy under the proactive leadership of Sri N. Vijaya Bhaskar Choudary, M.Com(Ph.D), Secretary & Correspondent and Sri N. Krishna Kumar, M.S.(USA), Chairman. MITS enjoys constant support and patronage of NRIs with distinguished academic traditions and vast experience in Engineering and Technology. The management spares no effort to develop the institution as one of the best centers of academic excellence. MITS, selected for TEQIP-II as one among the Top 25 private Engineering Institutions in the country.

About the Department

The Department of Mechanical Engineering was established at the inception of the college. The department offers UG, PG and Ph.D programmes. PG programmes are being offered with specialization of Machine design and Advanced manufacturing systems. The course offers a deep insight into the discipline and empowers promising engineers with required skills for a successful career in mechanical engineering. The department is recognized as research and development centre by JNTUA, Anantapuramu to offer doctorial programmes. The department has excellent infrastructure and is well equipped with modern laboratories. The department has highly qualified, experienced, dedicated and motivated faculty with industry and research background.

Location of College:

MITS is located at Angallu, which is 10 kms away from Madanapalle and it is 120 kms from Tirupathi, 125 kms from Bangalore, 250 kms from Chennai and 130 kms from Vellore.

Objective of the Seminar

Wind Engineering is an inter-disciplinary field where the effects of wind on structures like wind turbines, buildings, bridges, towers, chimneys etc. is analyzed. The objective of this seminar is to provide an opportunity for the participants to learn the fundamentals and research oriented concepts of Wind Engineering. This Seminar is meant for the PG students and research scholars who would benefit from this seminar in enhancing their research skills.

RESOURCE PERSONS

Prof. Yukio TAMURA
Program Coordinator
Wind Engineering Joint Usage / Research
Center, Tokyo Polytechnic University, Japan

Professor Beijing Key-Laboratory of Structural Wind Engineering and Urban Wind Environment, School of Civil Engineering, Beijing Jiaotong University, Beijing, China

Prof. Shuyang CAO
Professor
Department of Bridge Engineering,
Tongji University, Shanghai, China

Dr. K.N. MuruganScientist, National Trisonic Facility Division
CSIR- National Wind tunnel Testing Center (NWTC)
National Aerospace Laboratories (NAL)
Bangalore

IMPORTANT DATES:

Last Date for Submission of Registration Form: 26th January, 2016

ELIGIBILITY:

- Faculty working in Universities, Engineering & Polytechnic Colleges.
- Wind Engineering/Thermal professionals from the industries.

REGISTRATION:

The registration for One day International seminar on "Recent Trends in Wind Engineering" can be done through submission of registration form/spot registration at the venue.

REGISTRATION FEE:

PG Students & Research Scholars : INR 200
Academicians : INR 300
Delegates from Industry : INR 500

Tο

The Head,
Department of Mechanical Engineering

Dear Sir/madam,

Sub: A One Day International Seminar on Recent Trends in Wind Engineering – Invitation Extended – Reg.

We are extremely delighted to inform you that the Department of Mechanical Engineering ofour institution is organizing "A One Day International Seminar on Recent Trends in Wind Engineering" on 29thJanuary 2016. The objective of this seminar is to provide an opportunity for the participants to learn the fundamentals and research oriented concepts of Wind Engineering. This seminar is meant for students and research scholars who would benefit from this seminar in enhancing their research skills.

We wholeheartedly invite you to enrich the program with your presence. Also we request you to display the enclosed brochure and encourage your students and researchers to participate in the seminar.

We look forward your active participation in making this seminar a grand success.

Thanking you

Yours sincerely

Programme Co-ordinator
