NO SMOKING DAY

11th March, 2020

Objective:

The event is conducted on the occasion of "No Smoking Day" in order to encourage people to quit smoking. This event is conducted by NSS unit in the college premises from 4 pm to 5 pm in the seminar hall. All the faculty, Guests, NSS volunteers, students made the event a grand success.

The guests of the event are Professor Ramanathan, the vice principal-Academics and Dr.Hampamma, the vice principal-Administration.

A team of NSS volunteers performed a skit on the theme "Ways To Quit Smoking", which gave a message to all regarding the awareness on smoking.

The guests of the event briefly shared the consequences of smoking and the uses of quitting it. The NSS coordinator Narashima garu also explained the present scenario of the society and suggested the students to be proper future citizens.

Nearly 135 NSS volunteers attended and few of them addressed the gathering and expressed their views on 'Smoking and its Threat'.
