DEPARTMENT OF ENGLISH AND FOREIGN LANGUAGES

BEC WORKSHOP

16 AUGUST 2018

The new curriculum according to the changes made by the R-18 regulations, the Department of English and Foreign Languages, MITS, introduced a new syllabus, keeping in mind the need and expectation of the Industry with regard to the employability of students from the Engineering stream.

The new curriculum has introduced BEC(Business English Certificate)by the University of Cambridge, UK for our students of the first year B.Tech.

Being an autonomous college, English has been introduced as a credit course till the third year.

In view of the introduction of the Business Benchmark book for BEC, it was decided to have a workshop on BEC.

The Resource person was Ms. Chitra Sundarajan, a Cambridge Trainer and Examiner from PEOPLE CARE BUSINESS SOLUTIONS. She conducted a full one-day workshop to help faculty deal with the BEC training for students as well as enable them to use the newly introduced book effectively.
