Date and Time : **2nd September, 2017, 2:00 pm.**
Venue : **Seminar hall, Dept. of ECE,
Madanapalle Institute of Technology and Science.
Madanapalle 517325.**
Submitted by : **Mrs. S. Usharani
Associate Professor, Dept. of ECE**

A seminar on “Sensor Technology” was organized by Dept. of ECE, MITS, Madanapalle. I have to thank our HOD and Principal for the wonderful opportunity provided to me. The key listeners were UG students. The seminar covered the following areas,

- Sensors in today’s applications
- Future of sensor technology

The students got benefited through this seminar.

Thank you
